After the weekly reset in 3 hours is the nightfall lake of shadows. So just farm that one on the easiest difficulty. 3. level 1. - 2 hr. ago. If you are just after the rocket then I would go and play Crucible as you will get it quicker. 2. level 2. PO - 1 hr. ago. I am pinnacle power capped, but despite having to do endgame activities to reach this point, I'm not ready for actual endgame content. The artifact should be a nice helping boost, not a mandatory requirement. Endgame Power Level should be earned from endgame or drops, not from killing Level 2 boars. The campaign generally guides you into crafting a couple pieces, but you have to do the rest, and those unfamiliar may dismantle it after crafting because they don't know it's needed later down the line. After you've done the final Shadowkeep mission, feel free to dismantle to your heart's desire. 20. Share. Report Save. Continue this thread level 2 · 9m. Don't upgrade it or use it ... level 1. TacBenji. · 2y. I expect them to have the iron banner cap be 950 anyway so people that no-life the artifact won't become raid bosses in iron banner. 2. level 1. xXretrospectXx. · 2y. To everyone saying "power 1000+ in iron banner" pretty sure they will disable to bonus power for activities like that, or make it so theres less of an ... In my opinion, it is becoming progressively frustrating with the increase in power level. With every single player being set to 1350 and a new year starting, I think it is the perfect time to reset our power level. Also, as a new player, I would be very confused why I'm starting at 1350 and not 0. I would love to hear your opinions on that. Discussion. So Shadowkeep came out, but I'm a serious skeptic. I played vanilla D2, and I was seriously unimpressed by it. The campaign was good, and although there were some new features, to me (Totally opinion) it felt like a big step back, especially in PvP. After spending \$150 dollars on D1, I definitely wasn't going to waste loads of money ... Power level scaling in shadowkeep? Question. Close. 1. Posted by 2 years ago. Archived. Power level scaling in shadowkeep? Question. Does anyone know what the scaling of damage output and damage taken is for being over level and under level? I have not known what it is since destiny 1 and I'm sure it's not the same anymore. Thanks in advance. 9 comments. share. save. ...
